Respondents are UOCAVA citizens who desire to apply for voter registration or request an absentee ballot from their State of residency. The information provided by these citizens is used by the States to determine if the citizen is a resident of a jurisdiction within that State, and therefore eligible to vote within that jurisdiction and to provide absentee ballots to these citizens for Federal elections held within each calendar year. This form is mandated by 42 USC 1973ff. The Department of Defense does not receive, collect nor maintain any data provided on the form by these citizens; this data is received, collected and maintained by the individual States. The burden for the collection of this data resides with the individual States. If the form is not provided, UOCAVA citizens may not be able to register to vote in their State of residency nor be able to request absentee ballots and thus, may be disenfranchised from their right as a U.S. citizen to participate in the electoral process.
